

9 WATT LED SUPER BRIGHT RECESSED

General Description:

The future looks bright.

The incredibly bright 9W Super Bright Aluminum is an LED recessed lamp that houses 3 individual high-power 3 Watt LED's in aluminum construction. With warm or cool white color options, it is the perfect way to modernize any home or office space and save money and energy on maintenance and electricity costs.

Specification:

Light Source: 3-Watt High Power LEDs

Light Color: Warm White

Cool White

Brightness: Warm White: 300 lumen

Cool White: 450 lumen

Color Temperature: Warm White: 4000K

Cool White: 6000K

Beam Angle: 30°

Life Span: 50,000 hours

Power Consumption: 3 x 3W

Voltage: 3-21V DC

Current: 700mA

Number of LEDs: 3 LEDs

Dimensions (Metric Units): D: 90mm x H: 48mm

Rotation: Adjustable

Housing: Aluminum Alloy

Protection Rating: IP54

Diameter Installing: 78mm

Operating Temperature: -25°C ~ 50°C
